with his best-known novel being All Quiet on the Western Front.

Spark of Life: A Novel of Resistance by Erich Maria Remarque

In A SPARK OF LIGHT, Jodi Picoult attempts to address the hot button divide between pro-choice and pro-life advocates in this country, specifically the Deep South. Given the current political climate in America, this could have been a provocative story in the manner of SMALL GREAT THINGS, her magnum opus on racism.

Spark of Life | NISE Network

Erich Maria Remarque was born in Osnabrück, Germany, in 1898 into a lower-middle-class family. In 1916, he was drafted into the German army to fight in World War I, in which he was badly wounded. Ten years after the war ended, he published *Im Westen Nichts Neues*, translated into English a year later as *All Quiet on the Western Front*, a novel ...

SparkNotes: Erich Maria Remarque

The grim reality of the concentration camp is immortalized in this powerful and horrible book. What Remarque did for the German soldier of World War I he has done for the German political prisoner in the concentration camp of World War II. And throughout he seems to point a finger of warning; "You must not forget. This is the way it was. This is the way it might be again, whatever ...

This is where it gets interesting: Frankenstein is often considered the first work of science fiction. What's key is that the science isn't just window-dressing: the whole point of the novel is to explore heavy questions about What It All Means, where "It" can be loosely translated as "science, fate, free will, nature, and humanity."
